Supply of power to Surapur and Yadgir from Shahpur Station.

*Q.—41. Sri MAHANTASWAMY (Shahpur).—

Will the Government be pleased to state :—

(*a*) the intention of the Government in continuing the power line without making arrangement for supply of power at Shahpur ;

(*b*) the reason for not supplying electricity so far to Surapur and Yadgir from Shahpur Station ;

(*c*) the reasons for drawing 33 kV. Power line to Gogi from Shahpur ;

(*d*) whether they intend to supply electricity to places like Narayanapura, etc., on Krishna Upper Bank from Shahpur Station ;

(*e*) the reason for not drawing 33 kV. line, if they intend to supply electricity to places on Upper Krishna Bank from Shahpur Station ;

(*f*) when they propose to set up such a station there ?

*A.—Sri S. NIJALINGAPPA (Chief Minister).—

(*a*) The power line was continued with the intention of arranging power supply to areas beyond Shahpur. The electrification of Shahpur also was kept in view and the same was done on 1st December 1964.

(*b*) The work is under progress and expeditious arrangments are being made to electrify the places.

(*c*) A 33 kV. power line to Gogi is not contemplated.

(*d*) This will be considered on its merits when the question arises.

(*e*) and (*f*) Drawing of a 33 kV. line or one other line of an appropriate voltage depends on the load potential in the area. This will be taken care of depending on the load demands and at the appropriate time
